

**North Dakota State University  
Master of Athletic Training (MATrg)  
Hepatitis B Declination**

I understand that as a result of my clinical experiences in the athletic training program, I may be exposed to blood or other potentially infectious materials. Thus, I may be at risk of acquiring Hepatitis B virus (HBV) infection. At this time, I have chosen not to get the Hepatitis B vaccine for my own personal reasons. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease.
